

About «NAVIGATOR»

- «NAVIGATOR IMMIGRATION SOCIETY» was founded by the group of former executives and practicing lawyers with one thing in mind - there is no replacement for first-hand experience. Our experts have been there and done it themselves: business planning for Canadian start-ups, global expansion, Skilled Workers and Economic Class immigration, counselling in accounting, investment and education...
- «NAVIGATOR» is a Non-Profit Organization headquartered in Vancouver and is expanding nation-wide and internationally with extensive agents' network in Europe, Asia and Americas...
- Since 2005 «NAVIGATOR» is the anchoring part of business network that oriented on services for and about diversified immigration communities in Canada. Each member of our experienced team is sincerely committed to the long term success of our clients. Team members undergo continual mentoring, training, reviews and outside education designed to help them perform at the top of their field...
- Based on solid principles of collaboration, we are always open for cooperation with other institutions and corporations that might be interested to establish cross-referral relationship for the mutual success...
